Note generali Nota di bibliografia Includes bibliographical references (p. 298-307). Nota di contenuto Book Cover; Half-Title; Title; Copyright; Contents; Abbreviations; Summary: 1 Money in Development Theory: 2 Development under Conditions of a Monetary Economy; 3 Implications for Development Policy; 4 The Development of the System of Economic Policy; 5 Problems of India's Development as a Monetary Economy; 6 Ways out of India's Monetary Crisis; Notes; ANNEX; Literature Ever since Shaw and McKinnon published their path-breaking works on Sommario/riassunto financial development in 1973, there has been extensive research on the effects of monetary and financial policies on economic growth of developing countries. This book puts forward a new paradigm of monetary development theory along Keynesian lines. The approach is substantiated by providing a fresh perspective on India's economic

development after Independence.
