Sommario/riassunto	The new edition of this popular course in translation from French into English offers a challenging practical approach to the acquisition of translation skills, with clear explanations of the theoretical issues involved. A variety of translation issues are considered including: *cultural differences*register and dialect*genre*revision and editing. The course now covers texts from a wide range of sources, including: *journalism and literature*commercial, legal and technical texts*songs and recorded interviews.This is essential reading for advanced underg
