Sommario/riassunto	Emerging from communism in the early 1990s, the new state of Bosnia and Herzegovina was immediately embroiled in devastating ethnonationalist conflict. Now an international protectorate, the choices of its elites may well propel Bosnia either to a stable future, integrated into an expanding European entity, or to a future filled with insecurity, conflict, and adversity. This volume assesses current conditions in Bosnia, as well as the prospects for stability in a country torn between nationalistic elites on the one hand and the desires of important regional actors for control of Bosni
