Sommario/riassunto	The end of communist rule in China will be one of the most momentous events of the twenty-first century, sounding the death knell for the Marxist-Leninist experiment and changing the lives of a fifth of humanity. This book provides a likely blow-by-blow account of how the Chinese Communist Party will be removed from power and how a new democracy will be born. In more than half a century of rule, the Chinese Communist Party has turned a poor and benighted China into a moderately well-off and increasingly influential nation. Yet the Party has failed to keep pace with change since stepping aside f
