Sommario/riassunto	This is the first volume of a patriotic poet whose heart is on fire. The poems touch on a variety of issues, some personal and private, other public - past and current. They range from family, love and longing;

friendship and marriage, to culture, politics, corruption and death. They are cadenced and vibrant with different emotions: nostalgia, regret and outrage; loss, pain and pathos tinged with a touch of wistfulness and irony. In style and themes, they reveal a keen observer, a budding poet struggling to find her stride; to mine the shallows and the deeps of human experience, to give a uniq

Sommario/riassunto

This groundbreaking work features two essays written by the renowned mathematician Ilan Vardi. The first essay presents a thorough analysis of contrived problems suggested to "undesirable" applicants to the Department of Mathematics of Moscow University. His second essay gives an in-depth discussion of solutions to the Year 2000 International Mathematical Olympiad, with emphasis on the comparison of the olympiad problems to those given at the Moscow University entrance examinations. The second part of the book provides a historical background of a unique phenomenon in mathematics, which flouri
