Sommario/riassunto	This original book is a wide-ranging, radical and highly innovative critique of the prevailing orthodoxies within industrial relations and human resource management. It covers: <sup>*</sup> central problems in industrial relations <sup>*</sup> the mobilization theory of collective action <sup>*</sup> the growth of non-union workplaces and the prospects and desirability of a new labour-management social partnership <sup>*</sup> an historical account of worker collectivism, organization and militancy and state or employer counter mobilization <sup>*</sup> a critique of postmodernism and accounts of the end of the labour movement
