Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 193-210) and index.
Nota di contenuto	Book Cover; Title; Copyright; CONTENTS
Sommario/riassunto	The question of whether there can be a distinctively female ethics is one of the most important and controversial debates in gender studies, philosophy and psychology today. Rethinking Feminist Ethics; Care, Trust and Empathy marks a bold intervention in these debates and bridges the ground between women theorists disenchanted with aspects of traditional ethics and traditional theories that insist upon the need for some ethical principles.
