

1. Record Nr.	UNINA9910450776503321
Autore	Bogaard Amy <1972, >
Titolo	Neolithic farming in Central Europe : an archaeobotanical study of crop husbandry practices // Amy Bogaard
Pubbl/distr/stampa	London ; ; New York : , : Routledge, , 2004
ISBN	0-203-68337-4 1-134-34458-9 1-280-10390-6 0-203-35800-7
Descrizione fisica	1 online resource (224 p.)
Disciplina	936.01
Soggetti	Neolithic period - Europe, Central Bandkeramik culture - Europe, Central Agriculture - Europe, Central - Origin Agriculture, Prehistoric - Europe, Central Plant remains (Archaeology) - Europe, Central Electronic books. Europe, Central Antiquities
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The study area and its archaeological background -- Models of crop husbandry in Neolithic Central Europe -- The key variables of permanence, intensity, and seasonality and their wider implications -- Archaeobotanical, ecological, and statistical methodology -- Testing the four major crop husbandry models -- Identification of separate ecological gradients and specific crop husbandry practices.
Sommario/riassunto	This book evaluates competing models of early crop husbandry in Central Europe using available archaeobotanical evidence.
