Sommario/riassunto	During the last decade and a half there have been dramatic changes in

psychoanalytic theory, as well as in cultural, social and political theory. Psychoanalysis in Contexts examines these changes and explores the relationship between psychoanalysis and theory. The volume brings together leading scholars and practitioners in psychoanalysis to develop a unique rethinking of the relations between subjectivity and inter-subjectivity, sexual difference and gender power, and unconscious desire and political change. Psychoanalysis in Contexts creates a dialogue between diffe
