Sommario/riassunto

Marilyn Martin's book *Helping Children with Nonverbal Learning Disabilities to Flourish* is an exciting and essential new addition to the literature. … Martin shines in her ability to match interventions to a broad range of problems and examples abound in every chapter. Clear, concise, and detailed explanations are given so that the interventions can be applied skillfully. … Each intervention is presented in a terrifically useful and usable format that includes the problem, strengths available, proposed solution, how the solution can be generalized, the goal of the intervention, a
