Sommario/riassunto	African literature is a vast subject of growing output and interest. Written especially for students, this book selectively surveys the topic in a clear and accessible way. Included are roughly 600 alphabetically arranged entries on writers, genres, and major works. Many entries cite works for further reading, and the volume closes with a selected, general bibliography.  Africa is a land of contrasts and of diverse cultures and traditions. It is also a land of conflict and creativity. The literature of the continent draws upon a fascinating body of oral traditions and lore and also reflects the
