Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. [175]-184) and index.
Sommario/riassunto	Challenging the received notions of International Relations theory about a central tradition - Realism - Molloy demonstrates how a belief in a mode of theorization has distorted Realism, forcing the theory of power politics in IR into a paradigmatic strait-jacket that is simply inadequate and inappropriate to the task of encompassing its diversity.
