formulation in emotion-focused therapy / Leslie Greenberg, Rhonda Goldman -- Comparing the methods : where is the common ground? / Tracy D. Eells.

Sommario/riassunto

This indispensable practitioner guide and text serves as a comprehensive primer on case formulation within all of the major therapeutic approaches. Prominent experts offer step-by-step guidelines for developing strong formulations and putting them to use in day-to-day practice. The chapters follow a standard format to allow comparison across models. Coverage includes the conceptual and empirical underpinnings of each approach, the relationship of case formulation to therapeutic technique, issues in treating clients from diff
