Sommario/riassunto	A French phrase book to help you with all your building and home-renovating needs This essential dictionary and phrase book includes

every term you need to know when buying, maintaining, renovating, or building a home in France. Accessible and comprehensive, it includes the technical words you won't find in an ordinary dictionary for tools and equipment as well as every aspect of painting, carpentry, roofing, plumbing, and drainage. It also equips you with terminology for planning structural changes such as extensions and determining boundaries. An appendix of
