| Sommario/riassunto | Is anti-Americanism one of the last respectable prejudices, or are accusations of anti-Americanism a way to silence reasonable criticism of the United States?Is the recent rise in anti-Americanism principally a reaction to President George W. Bush and his administration, or does it reflect a general turn against America and Americans? Have we moved |

from the American century to the anti-American century, with the United States as the 'whipping boy' for a growing range of anxieties? Can the United States recapture the international good will generally extended towards it in the
