Sommario/riassunto	This new edition of Managing the Secondary School brings up to date the consideration of the talks and skills of the headteacher which was a feature of the first edition. The book deals with all aspects of the headteachers' role including marketing the school and managing the budget. It also deals in some detail with the problems of managing change and with the role of governors and parents in today's schools. Throughout the book, Joan Dean considers the implications of the Education Reform Act and the National Curriculum. Managing the Secondary School is essential reading
