Sommario/riassunto	Easy to read, and highly topical, Messages writes a history of mass communication in Europe and its outreaches, as a search for the origins of media forms from print and stage, to photography, film and broadcasting. Arguing that the development of the mass media has been an essential engine driving the western concept of an individual, Brian Winston examines how the right of free expression is under attack, and how the roots of media expression need to be recalled to make a case for the media's importance for the protection of individual liberty. Relating

2. Record Nr.	UNISA996393051303316

Sommario/riassunto	Updated through the 2012 Olympics. In the second edition of The U.S. Women's Soccer Team, Clemente A. Lisi looks at how women's soccer has gained popularity over the last couple of decades, detailing the program's infancy and how it steadily became a model for women's teams around the globe. Beginning with the start of the U.S. program in 1985, Lisi recounts the development of the women's team, highlighted by their two first place finishes in the Women's Worl
