Sommario/riassunto	Terrorism and guerrilla warfare are increasingly common in many countries of the world. This book examines the current state of terrorism and guerrilla warfare and indicates how they may develop in the future. It sets out the different kinds of terrorism and guerrilla warfare and discusses in detail the various types of weapons and techniques favoured by terrorists, assessing for each the latest technological changes and their effects. It looks at intelligence,

propaganda and communications. It explores the tactics and strategy of terrorists and guerrillas and surveys the methods currently

Classroom characteristics associated with bullying -- pt. 4. Beyond the classroom : considering school climate, family relationships, social support, and innovative school partnerships.
Sommario/riassunto	Much of our knowledge about bullying behaviors comes from research conducted over the past several decades in Europe, Australia, and Canada. Until the past decade, research in the United States has lagged behind our European, Australian, and Canadian counterparts. This book seeks to fill this void by forwarding research on bullying across contexts conducted with American participants. This book is an exciting compilation of research on bullying in school-aged youth

conducted across the United States by a representative group of
researchers, including developmental, social, counseling, school,
