Nota di contenuto	Contents; Contributors; Part I: Translations, Texts, and Commentaries; Part II: Interpretive Essays; Bibliography of Plutarch's Advice and Consolation; General Index
Sommario/riassunto	While perhaps best known for his Lives, Plutarch also wrote philosophical dialogues that constitute a major intellectual legacy from the first century A.D. This collection presents two important short works from his writings in moral philosophy. They reveal Plutarch at his best--informative, sympathetic, rich in narrative--and are accompanied by an extensive commentary that situates Plutarch and his views on marriage in their historical context.
