Sommario/riassunto	Asia has long been an ideological battleground between capitalism and communism, between nationalism and Westernisation and between the nation-state and globalization. This book is a history of the Asian region from 1945 to the present day which delineates the various ideological battles over Asia's development. Subjects covered include: <sup>*</sup> theories of development <sup>*</sup> decolonization <sup>*</sup> US political and economic intervention <sup>*</sup> the effects of communism <sup>*</sup> the end of the Cold War <sup>*</sup> the rise of neo-liberalism <sup>*</sup> Asia after the crisis <sup>*</sup> Asia in the era of globalisationBroa
