These Shrieking Violets -- 2. Gay Writing Before the Violet Quill -- 3. Two Journeys -- 4. Race and the Violet Quill -- 5. Beauty and the Beach -- 6. Love and Sex -- 7. AIDS -- Works cited --Chronology -- Index -- Back matter Sommario/riassunto The members of the literary circle known as the Violet Quill-Andrew Holleran, Felice Picano, Edmund White, Christopher Cox, Michael Grumley, Robert Ferro, and George Whitmore-collectively represent the aspirations and the achievement of gay writing during and after the gay liberation movement. David Bergman's social history shows how the works of these authors reflected, advanced, and criticized the values, principles, and prejudices of the culture of gay liberation. In spinning many of the most important stories gay men told of themselves in the

short period between the 1969 Stonewall Riots and the devastation of

the AIDS epidemic during the 1980's, the Violet Quill exerted an enormous influence on gay culture. The death toll of the AIDS epidemic, including four of the Violet Quill's seven members, has made putting such recent events into a historical context all the more important and difficult. The work of the Violet Quill expresses the joy, suffering, grief, hope, activism, and caregiving of their generation. The Violet Hour meets the urgent need for a history of the men who bore witness not only to the birth but also to the decimation of a culture.
