Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	Book Cover; Title; Contents; Preface; Acknowledgements; List of acronyms; THE ENVIRONMENT DICTIONARY; Name index; Subject index
Sommario/riassunto	The Environment Dictionary provides an essential source of information on all aspects of the environment. It includes all the basic scientific terms and concepts along with socio-economic, cultural, historical and political elements which impact on the environment. This dictionary provides the interdisciplinary approach required to understand environmental issues worldwide. Designed for a wide range of readers, the dictionary is up-to-date, easy to read and to reference and clearly and attractively presented. Selected environmental issues which have particular importance are trea
