Sommario/riassunto

The papers featured in Attachment and Sexuality create a dense tapestry, each forming a separate narrative strand that elucidates different configurations of the relationship between attachment and sexuality. As a whole, the volume explores the areas of convergence and divergence, opposition, and integration between these two systems. It suggests that there is a bi-directional web of influences that weaves the attachment and sexual systems together in increasingly complex ways from infancy to adulthood. The volume's unifying thread is the idea that the attachment system, and
