Sommario/riassunto

This eclectic collection interrogates boundaries with reference to nineteenth and twentieth-century literature, performance, music and film from a diverse range of critical and theoretical perspectives. The authors probe the issue of negotiating boundaries in their innovative and imaginative investigations of science in Dickens, Eliot and Pater; narrative in Hawking and Weinberg; Bakhtin and the feminization of translation; lesbian romance by Jeanette Winterson; transitional females in migrant postcolonial fiction; pedagogy in South Africa; materiality and hypertext; the semiotic and money in
