Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. [177]-192) and index.
Sommario/riassunto	John S. Levin, Susan T. Kater, and Richard L. Wagoner collectively argue that as community colleges organize themselves to respond to economic needs and employer demands, and as they rely more heavily upon workplace efficiencies such as part-time labor, they turn themselves into businesses or corporations and threaten their social and educational mission.
