Sommario/riassunto	Comparative federalism is now an important topic, with scholarly work comparing the US and EU 'proliferating rapidly'. The present volume seeks to build on and contribute to this growing literature, by developing a systematic comparison of the institutions, policies and developmental patterns of the European Union and the United States. - ;The Convention on the Future of Europe served to galvanize debate about the nature and future developmental trajectory of the European Union. More specifically, it engendered discussion over the degree to which the process resembled that which had occurred i
