Sommario/riassunto	Since time immemorial mankind has taken it upon himself to wage war against nature -- against those species of birds and mammals which he believes conflict with his livelihood. This remarkable book documents the history of that battle in England and Wales from the Middle Ages, shedding a new light on the history of our much-loved wildlife. - ;Since time immemorial mankind has taken it upon himself to wage war against nature -- against those species of birds and

mammals which he believes conflict with his livelihood. This remarkable book is about that war of attrition against the native mammals
