Sommario/riassunto	Entrepreneurship can be read as a cultural and economic phenomenon. In recent times, gender has become an increasing influence on entrepreneurship. This groundbreaking new study considers both gender and entrepreneurship as symbolic forms, looking at their diverse patterns and social representation. Presenting an ethnographic study of the gender structuring of entrepreneurship, this work employs three strategies:A critical survey of gender studies which argues that entrepreneurship is a cultural model of masculinity that obstructs the expression of other models;'Reflexive' ethnographic
