Legitimacy

7 Money, Capital, and Cooperation in the Asia-Pacific Region 8 Ripe for Rights?: Problems and Prospects for a Human Rights Regime in East Asia

Sommario/riassunto

This book explores the ways that institutions play a role - or fail to - in Japanese and American approaches to regional governance in East Asia. It uses recent studies on the logic and dynamics of institutions to determine the logic of order within the East Asia region. The central focus is on bilateral and multilateral regional institutions.
