Sommario/riassunto	Working in 'partnership' in primary schools is an approach that is transforming the classrooms of the 1990's. It is now widely acknowledged that a collaborative approach can significantly improve the effectiveness of teaching. This book provides a practical, readable account of partnerships in educational settings including: * collaborating in nurseries and primary schools * reading and literacy partnerships * working with special needs assistants * supporting students in training * home-school links * liaising with an OFSTED

inspector. The focus is placed on key
