Griffey and Lynn Dale Housner -- Silver bullets, golden visions, and possible dreams : a wish list for the future of research in physical education / Patt Dodds.

Sommario/riassunto

Designed to fill the space of a course book for BA, PGCE and ITT courses in PE. This book brings together for the first time current thinking in Physical Education, together with research findings and examples of best practice. It caters for the growing pedagogical component of the many new PE and Sports Science courses, and will benefit students and teachers alike, providing content, structure and direction to their studies. -- Publisher.
