Sommario/riassunto

Under the auspices of top international commentators, The Freedom to do God's Will considers the global impact of fundamentalism on religious traditions including Hinduism, Buddhism, Mormonism, Christianity, Judaism and Islam. With special reference to human rights issues, women's rights and the influence of social factors, it brings a new dimension to a field of study often dominated by purely religious or political perspectives, whilst challenging received ideas about the violence and conservatism of fundamentalist movements. Illustrated with original case studies, the ten investiga
