**Sommario/riassunto**

Law of the Sea in East Asia selects the most prominent maritime legal issues that have emerged since the post-LOS Convention era for a detailed discussion and assessment. The current marine legal order in East Asia is based on the 1982 United Nations Convention on the Law of the Sea (LOS Convention) and accordingly coastal states in the region are obliged to cooperate amongst themselves to exercise their rights and perform their duties. Keyuan, a respected expert in the fields of international and Chinese law, explores issues concerning compliance with the law of the sea, ter
