Note generali	"The International Human Rights Network of Academies and Scholarly Societies (the Network) held its fifth biennial meeting on May 10 and 11, 2001, at the Palais de l'Institut de France in Paris. In addition to an evening reception for Network members and guests, the main events of the meeting were a semipublic symposium, Human Rights and the Scientific Community, and a 1 1/2-day workshop on a variety of topics related to science, engineering, and health in the human rights context."--P. 1.
