Sommario/riassunto

Modernization in Africa has created new problems as well as new freedoms. Multiparty democracy, resource privatization and changing wealth relationships, have not always created stable and prosperous communities, and violence continues to be endemic in many areas of African life - from civil war and political strife to violent clashes between genders, generations, classes and ethnic groups. Violence and Belonging explores the crucial formative role of violence in shaping people's ideas of who they are in uncertain postcolonial contexts where, as resources dwindle and wealth is con
