On Truth, Human and Divine; 6. Pluralism and Pragmatism; 7. Women Categorized; 8. The Problem with Foreskin: Circumcision, Gender, Impurity, and Death; 9. On Human Suffering; 10. The Difference a Lens Makes; Notes; Bibliography; Index
Sommario/riassunto	Traditionally, the Talmud was read as law, that is, as the authoritative source for Jewish practice and obligations. To this end, it was studied at the level of its most minute details, with readers often ignoring the composite whole and attending only to final decisions. Methods of reading have shifted as more readers and students have turned to the Talmud for evidence of rabbinic history, religion, rhetoric, or anthropology; still, few have employed a genuinely literary approach. In Reading the Rabbis, Kraemer attempts to fill this gap. He uses the tools developed in the study of other liter
