

1. Record Nr.	UNINA9910451331303321
Titolo	British library and information schools [[electronic resource] ] : the research of the department of information studies, University of Wales Aberystwyth / / guest editors: Lucy A. Tedd and David Ellis
Pubbl/distr/stampa	Bradford, England, : Emerald Group Publishing, c2006
ISBN	1-280-73786-7 9786610737864 1-84663-243-9
Descrizione fisica	1 online resource (120 p.)
Collana	Aslib Proceedings ; ; 58, no. 6
Altri autori (Persone)	TeddLucy A EllisDavid
Soggetti	Library schools - Wales Library education - Wales Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di contenuto	Cover; CONTENTS; EDITORIAL ADVISORY BOARD; Research in the Department of Information Studies, University of Wales Aberystwyth: an overview; Women's perceptions of technological change in the information society; Information literacy for the information profession: experiences from Aberystwyth; Social capital, government policy and public value: implications for archive service delivery; Preserving the cultural heritage An investigation into the feasibility of the OAIS model for application in small organisations; Customers, relationships and libraries: University of Malta – a case study Users' experiences of the People's Network workstations in Conwy Public Libraries The role of the university library in supporting information literacy in UK secondary schools; Use of library and information science journals by Master's students in their dissertations; Awards for Excellence;
Sommario/riassunto	This is the second in a series devoted to the research output of British library and information schools. This e-book focuses on the Department of Information Studies at the University of Wales

2. Record Nr.	UNISALENTO991003819659707536
Titolo	Diritto d'autore : la proprietà intellettuale tra biblioteche di carta e biblioteche digitali / a cura di Antonella De Robbio ; con la collaborazione di Luisa Marquardt ; saggi di Paolo Agoglia...[et al.]
Pubbl/distr/stampa	Roma : Associazione Italiana Biblioteche, Lazio, 2001
ISBN	8878120715
Descrizione fisica	179 p. ; 21 cm.
Altri autori (Persone)	De Robbio, Antonella Agoglia, Paolo Marquardt, Luisa
Disciplina	346.450482
Soggetti	Diritto d'autore
Lingua di pubblicazione	Italiano
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Segue: Appendice

3. Record Nr.	UNINA9910151776903321
Autore	Meyer Stephen C. <1958->
Titolo	Darwin's Doubt : The Explosive Origin of Animal Life and the Case for Intelligent Design
Pubbl/distr/stampa	HarperCollins
ISBN	0-06-265254-0
Disciplina	576.8/2
Lingua di pubblicazione	Inglese
Formato	Musica
Livello bibliografico	Monografia
Sommario/riassunto	<p>When Charles Darwin finished The Origin of Species, he thought that he had explained every clue, but one. Though his theory could explain many facts, Darwin knew that there was a significant event in the history of life that his theory did not explain. During this event, the "Cambrian explosion," many animals suddenly appeared in the fossil record without apparent ancestors in earlier layers of rock. In Darwin's Doubt, Stephen C. Meyer tells the story of the mystery surrounding this explosion of animal life--a mystery that has intensified, not only because the expected ancestors of these animals have not been found, but because scientists have learned more about what it takes to construct an animal. During the last half century, biologists have come to appreciate the central importance of biological information--stored in DNA and elsewhere in cells--to building animal forms. Expanding on the compelling case he presented in his last book, Signature in the Cell, Meyer argues that the origin of this information, as well as other mysterious features of the Cambrian event, are best explained by intelligent design, rather than purely undirected evolutionary processes.</p>
