Sommario/riassunto	West African Literatures provides students with fresh, in-depth perspectives on the key debates in the field. The aim of this book is not to provide an authoritative, encyclopaedic account, but to consider a selection of the region's literatures in relation to prevailing discussions about literature and postcolonialism. - ;The Oxford Studies in

Postcolonial Literatures series (general editor: Elleke Boehmer) offers stimulating and accessible introductions to definitive topics and key genres and regions within the rapidly diversifying field of postcolonial literary studies in English. This stud
