Nota di bibliografia	Includes bibliographical references and index
Nota di contenuto	1. Introduction -- 2. The Dynamics of Influence -- 3. The USA -- 4. France -- 5. England -- 6. Envoi
Sommario/riassunto	Jurists and Judges examines the nature of academic influence, and particularly the influence of juristic commentary on judicial decision-making. Focusing on three legal systems, its author argues that inter-jurisdictional comparisons of juristic influence are often simplistic and inattentive to problems of incommensurability. The centrepiece of the study is a detailed chapter offering a nuanced history of juristic influence in England. All academic lawyers who reflect upon the history and objectives of their profession - who, in other words, wonder what it is that they are about - will profit from reading this most informative and engaging book
