Sommario/riassunto	Perhaps the most renowned writer in the field of vocal pedagogy, Richard Miller has delivered a new and outstanding contribution to the study of vocal technique in Securing Baritone, Bass-Baritone, and Bass Voices. The first thorough and comprehensive treatment of low male voices, this book draws on techniques and practical advice from Miller's years of professional experience as a performer and pedagogue. With a unique focus on ""securing"" the technical stability of the male voice, the book offers practical advice to students, their teachers, and professional performers, through numerous pra
