Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Visual arts and agriculture -- pt. 2. Literature and the land -- pt. 3. Songs of the soil.
Sommario/riassunto	When Logsdon realised that he experienced the same creative joy from farming as he did for writing, he suspected that agriculture itself was a form of art. Thus began his search for the origins of the artistic impulse in the agrarian lifestyle. This book is the culmination of his journey, his friendships with farmers and artists driven by the urge to create.
