Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. [171]-221) and index.
Nota di contenuto	Social agents, hegemony, and households -- The Creek social universe -- Creek-European interactions -- Changing Creek households.
Sommario/riassunto	Wesson demonstrates that change within Creek culture in the historic period was shaped by small-scale social units and individual decisions rather than by the effects of larger social and political events. Households and Hegemony enriches our understanding of Creek history and makes a key contribution to comparative archaeological models of cultural change.
