Paludan -- Frederick Douglass and the Kansas-Nebraska Act / Tekla Ali Johnson -- Unpopular sovereignty / Walter C. Rucker -- Where popular sovereignty worked / Nicole Etcheson.
Sommario/riassunto	The Nebraska-Kansas Act of 1854 turns upside down the traditional way of thinking about one of the most important laws ever passed in American history. The act that created Nebraska and Kansas also, in

effect, abolished the Missouri Compromise, which had prohibited slavery in the region since 1820. This bow to local control outraged the nation and led to vicious confrontations, including Kansas's subsequent mini-civil war. The essays in this volume shift the focus from the violent and influential reaction of "Bleeding Kansas" to the role that Nebraska played in this decisive moment.

7. Conclusions Trilingual Education Program: Planning Workbook;  
Notes; Bibliography; Index

**Sommario/riassunto** Based in case studies conducted in the US, Europe, and Latin America, this book explores the feasibility and benefits of trilingual/ multilingual education in the United States. Currently, there are few programs in the country of this nature, as educators tend to conclude that English-language learners would be overwhelmed by study in additional languages. Henn-Reinke builds an argument supporting trilingual education in the US, discussing issues of identity, curriculum, pedagogy, and the impact of other psycho-socio-linguistic factors.

### Sommario/riassunto

With the aim to write the history of Christianity in Scandinavia with Jerusalem as a lens, this book investigates the image - or rather the imagination - of Jerusalem in the religious, political, and artistic cultures of Scandinavia through most of the second millennium. Jerusalem is conceived as a code, in this volume focussing on Jerusalem's impact on Protestantism and Christianity in Early Modern Scandinavia. Tracing the Jerusalem Code in three volumes Volume 1: The Holy City Christian Cultures in Medieval Scandinavia (ca. 1100-1536) Volume 2: The Chosen People Christian Cultures in Early Modern Scandinavia (1536-ca. 1750) Volume 3: The Promised Land Christian Cultures in Modern Scandinavia (ca. 1750-ca. 1920)
