Diluted Europeanism: Christian democratic parties and European integration 6. Europeanised Eurosceptics? Radical right parties and European integration; Conclusion; Notes; Bibliography; Index |
| Sommario/riassunto | This book traces the positions of national partisan actors towards the development of the European polity in an in-depth comparative analysis covering all member states of the European Union over a period of 60 years. The author examines the approach of the social democratic, radical left, liberal, Christian democratic and radical right party families, eliciting a comprehensive analysis of partisan positions |

on European integration. Demonstrating that attitudes and programmatic changes towards European integration must be understood both as the product of long-term ideological
