A Design Argument; 6. An Argument from Free Will; 7. Theism and Evil; 8. Naturalism and Evil; 9. A Moral Argument; NOTES; INDEX |
| Sommario/riassunto | When people encounter an argument for or against God's existence, it often raises more questions than it answers. In Letters to Doubting Thomas, C. Stephen Layman offers a fresh, insightful approach to the issue of God's existence--a way to organize what can seem like a blizzard of claims and concepts--bringing clarity to a debate often mired in confusion. Layman explores the evidence for the existence of God in a series of fictionalized letters between two characters--Zachary, a philosopher, and Thomas, an old college friend who appeals to Zach for help in sorting out his thoughts about God. |
