Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Harthorn_00_FM; Harthorn_01; Harthorn_02; Harthorn_03; Harthorn_04; Harthorn_05; Harthorn_06; Harthorn_07; Harthorn_08; Harthorn_09; Harthorn_10; Harthorn_11_idx; Harthorn_12_About
Sommario/riassunto	Explores the way risk, as it is socially and culturally constructed, both produces and makes more visible health inequalities. In particular, the chapters ask how individual and collective social actors assess and define health risk in public, biomedical, economic, and political arenas.
