Political and Organizational Reforms; List of Tables; 5. Assignment of Functions; List of Figures; 6. Revenues; 7. Debt Controls; 8. Directions for Further Reform; 9. Conclusions; References
Sommario/riassunto	This paper evaluates reforms in the structure of intergovernmental relations in Eastern Europe since the breakup of the Soviet Union, focusing on eight recent EU accession countries: the Czech Republic, Estonia, Hungary Latvia, Lithuania, Poland, Slovakia, and Slovenia. It reviews each country's response to the economic and political upheavals of the immediate post-Soviet era and their gradual convergence on a common "eastern European model" of intergovernmental relations.
