Sommario/riassunto	Are mysticism and morality compatible or at odds with one another? Venturing Beyond - Law and Morality in Kabbalistic Mysticism is an investigation of the relationship of the mystical and moral as it is expressed in the particular tradition of Jewish mysticism known as the Kabbalah. - ;Are mysticism and morality compatible or at odds with one another? If mystical experience embraces a form of non-dual consciousness, then in such a state of mind, the regulative dichotomy so basic to ethical discretion would seemingly be transcended and the very foundation for ethical decisions undermined.
