Sommario/riassunto

Since the late 1980s, growing migration from countries with a Muslim cultural background, and increasing Islamic fundamentalism related to terrorist attacks in Western Europe and the US, have created a new research field investigating the way states and ordinary citizens react to these new phenomena. However, whilst we already know much about how Islam finds its place in Western Europe and North America, and how states react to Muslim migration, we know surprisingly little about the attitudes of ordinary citizens towards Muslim migrants and Islam. Islamophobia has only recently started to b
