Sommario/riassunto	When Canoe Country and Snowshoe Country were first published, in 1938 and 1944, respectively, readers were charmed by their loving portrayal of the wilderness of northern Minnesota. Florence Page Jaques and her husband, Francis Lee Jaques, became celebrated champions of the Boundary Waters and its majestic environs. Now, for the first time, these classics of nature writing and art-depicting all the moods and seasons of the north woods-are brought together in one beautiful volume.
